

XMS (XMS22PADLOCK)

Squire CP50 Combination Padlock 4-Wheel 50mm

The Squire CP Combination Padlock delivers heavy-duty security. The die-cast alloy lock body has a dual compound protective cover for high corrosion resistance and excellent weather protection. The lock can be coded and re-coded as required. The combination wheels are spaced comfortably apart, making them easier to use, with push-button operation. The recodable mechanism offers 10,000 possible combinations, making the padlock very difficult to pick. It comes with a 10 Year Guarantee. CRIMESTOPPERS endorsed. Squire Security Rating 5 (Based on a Rating of 1-15).

Specification: Body Width: 50.0mm Body Thickness: 26.0mm Shackle Diameter: 8mm Vertical Shackle Clearance: 26mm Horizontal Shackle Clearance: 22.6mm
